

DALLAS BALLET COMPANY, a non-profit organization, is holding auditions for the 2017/18 year. Dallas Ballet Company is a pre-professional ballet company that offers young serious dancers the opportunity to perform in professional quality productions for the community. Dallas Ballet Company has performed for numerous local events and festivals including an annual Nutcracker, DBCo's En Avant Spring Concert, Symphony of Toys at Avery Fisher Hall in New York City and the Meyerson Symphony Center in Dallas. Having successfully toured in Austria 2006, 2010, and 2015 as part of the Young Tanzsommer dance festival, DBCo is now internationally recognized. Dancers must be fully committed to become a member of DBCo and parental support is required and crucial for the organization. DBCo is also an Honor Company member of Regional Dance America/Southwest.
