

DBCo Patrons' Guild Ticket Sale Policies for The Nutcracker as of September 9, 2026

- As a benefit of membership, the Dallas Ballet Company (DBCo) Patrons' Guild offers members the opportunity to purchase tickets to The Nutcracker before tickets are available to the general public.
- **Guild Memberships must be received by Friday October 2, 2026, to participate in the Nutcracker pre-sale.** This year, ticket sales will be **purchased online using personalized pre-sale codes based on your Patrons' Guild membership level and the date and time your membership is received.**
- **Your DBCo Patrons' Guild membership provides prioritized access to the Nutcracker ticket sale, but it does not guarantee a ticket to any performance.** Additional details and instructions regarding the online ticket purchasing process will be provided to eligible members prior to the presale.
- **DBCo Patrons' Guild members will be limited on the maximum number of tickets for any one performance, and they will be limited on the maximum number of tickets in aggregate.** These ticket limits will be determined once the cast size and guild membership drive has ended. Once tickets become available to the general public, additional tickets may be purchased through the Granville Arts Center box office online or by calling 972-205-2790.
